The above health responses given are reflective of my current status. I agree to inform PureStretch if there should be any changes in my health status due to injury, illness or otherwise. I will consult with my doctor and not partake in the class until I have been advised by my doctor that it is safe for me to do so.

I acknowledge that there are inherent risks in taking physical exercise and that I know of no medical reason why I should not undertake a PureStretch exercise programme.

I also agree to comply with any verbal instructions from the PureStretch instructor regarding health and safety whilst on the premises.
